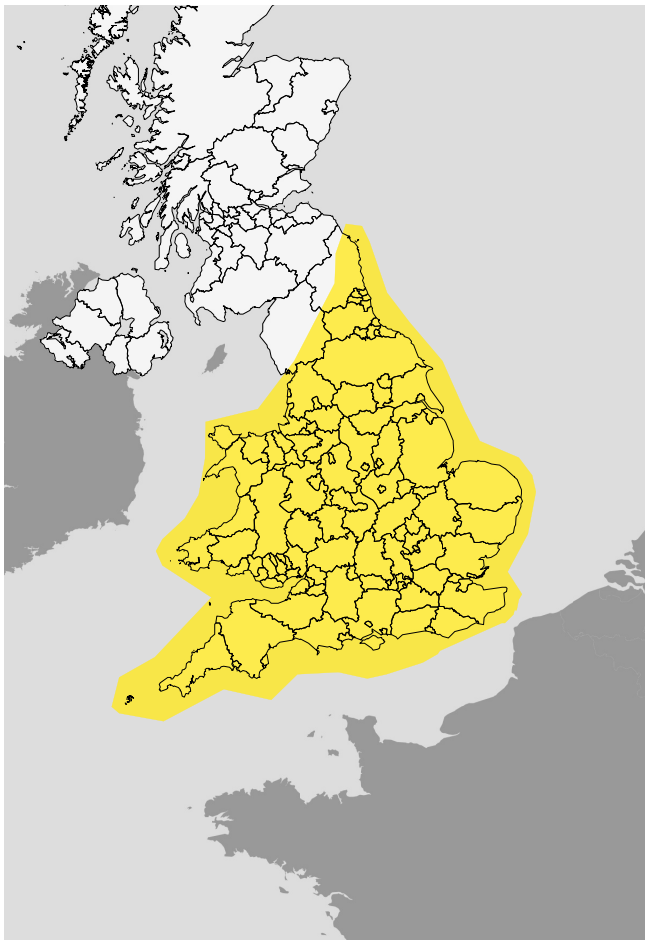
Yellow warning
Thunderstorm

Between
00:00 Sun 18 Jun 2023 and
23:59 Sun 18 Jun 2023



Heavy rain and thunderstorms on Sunday will bring a chance of disruption to parts of England and Wales.

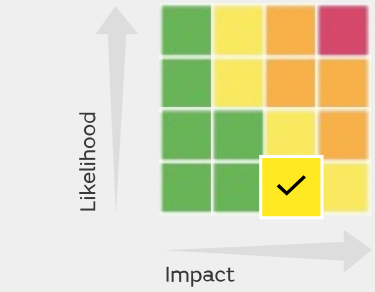
What to expect

- Spray and sudden flooding could lead to difficult driving conditions and some road closures
- There is a small chance that homes and businesses could be flooded quickly, with damage to some buildings from floodwater, lightning strikes, hail or strong winds
- Where flooding or lightning strikes occur, there is a chance of delays and some cancellations to train and bus services
- There is a slight chance that power cuts could occur and other services to some homes and businesses could be lost
- There is a small chance that some communities become cut off by flooded roads

Further details

Heavy showers and thunderstorms are likely to develop across parts of England and Wales during Sunday, with longer spells of thundery rain in places.

Whilst many areas will see at least some rain, most will see only relatively small amounts. However, some places could see 30 mm in an hour and 60mm in 6 hours, with the potential for frequent lightning, strong winds and hail. Where this occurs there is likely to be some disruption.



✓ Very low likelihood of medium impacts
